|------------------------------|--|
| Programme Name | Foundation Commerce |
| Programme Description | This programme is developed to meet the entry requirements for those students who have passed Fiji School Leaving Certificate Examination. The foundation programme and the units will form a pathway to degree level courses for these students upon satisfactory award in Foundation Commerce. There are a lot of students who have passed Fiji School Leaving Certificate seeking entry into tertiary institution but the barrier is their exam results. Therefore, the foundation programme will be in demand and there is a need for foundation programmes. |
| Majors | Combination of Commerce |
| Minimum Requirements | Pass in Year 12 |
