Programmes, Units and Credit Points
TVET Program

Minimum Entry Requirement

A pass in Year 12 Examination (Form 6), including passes in English, Mathematics and two Science subjects from Physics, Chemistry and Biology. Technical Drawing would be an advantage for the Foundation Technology programme OR a pass in 8 out of 10 units in Preliminary Science OR equivalent. Students with a Science background who have been out of school after Year 12 Examination (Form 6), but who would like to pursue science education further, are also eligible.

Foundation Technology
