

<b>Programme</b>	Master of Medicine in Internal Medicine
<b>Programme Description</b>	The Masters of Medicine in Internal Medicine programme addresses the need for Specialist Adult Physicians in the Pacific. Internal medicine is the medical specialty concerned with the diagnosis and non-surgical treatment of diseases of the internal organs of the body. Specialists in internal medicine are often referred to as physicians, and in addition to undertaking the clinical care of patients also often undertake diagnostic and therapeutic procedures which do not entail surgery and anesthesia.
<b>Majors</b>	N/A
<b>Minimum Requirements</b>	<ol style="list-style-type: none"> <li>At least a 'B' grade pass with a minimum of 65% overall scores in the relevant Diploma programme – applicant should have obtained a Diploma in the related field within the last 3 years from intending year of study and with medical registration in Fiji.</li> <li>Good standing with reference from previous/current employer.
