

Programme	Bachelor of Dental Surgery
Programme Description	The BDS Program is a 5 year programme with 600 credit points. The first 2 years is spent doing the BOH programme whereby the student has to attain a weighted average of 65% or above at the end of year 2 to qualify to enter the BDS programme in year 3. The student then spends another 3 years to complete the BDS programme and graduates with a Bachelor's Degree in Dental Surgery.
Majors	N/A
Minimum Requirements	<p>1. Will be based on application and students should obtain an average 65%, weighted as per FNU course credit points or above with a pass in theoretical subjects (BOH2) and a compulsory pass in Clinical Dentistry.</p> <p>Lateral Entry</p> <p>1. For students exiting from current undergraduate programme (multi-entry/exit), graduates with a Diploma in Dental Therapy/BOH must have a minimum of 3 years work experience at that level from date of exit before applying to re-enter the program for upgrade.
