

Program Name	Higher Education Certificate in Management
Program Description	This key program helps prepare students for a career in any of the diverse fields of marketing in the industry, commerce, not-for-profit, and government organizations. The key program focuses on the increasingly important role of marketing, being one of the major sources of organizational revenues, and a key contributor to organizational performance. Students will be exposed to the broad and dynamic field of marketing, providing knowledge which is critical in capacity building to graduates in marketing roles, both in contemporary and emergent organizations. At the moment, there is no formal qualification offered in this area of study in Fiji.
