

<b>Programme Name</b>	Master of Professional Accounting [CPA]								
<b>Programme Description</b>	<p>The Fiji National University College of Business, Hospitality and Tourism Services propose to deliver Master of Professional Accounting (CPA) in partnership with CPA Australia. This programme offers an academic and professional qualification for people from non-accounting backgrounds who want to specialize in accounting and start a career in accounting and related disciplines.</p> <p>The Master of Professional Accounting [CPA] will provide students with training in the technical aspects of accounting information; develop student's skills in solving problems and making decisions; and also develop knowledge and skills in related professional disciplines such as finance, taxation, auditing and management.</p> <p>The CPA* courses are integrated with the Master of Professional Accounting (CPA) programme, so students can gain an academic qualification and complete their CPA education component concurrently. This programme enables students to obtain a university qualification and receive face to face academic support from the university's experience academic staff plus CPA Programme study guides while they prepare for the CPA external examinations.</p>
