

Programme Name	Certificate IV in Film and Television Production
Programme Description	The progressive nature of the Film and Television program requires students to follow a stair-casing program from Basics of FTV to Secondary FTV through to a Final Project phase. The aim of this progression is to enable students to learn the full range of specializations incorporated in Film and TV Production, so as to enable career-ready technicians as they enter into Film and TV careers. The learning is provided through classroom instruction, hands-on workshops, practical & projects and in the process, the students acquire a thorough production experience in their specialization
Majors	Film and Television
Minimum Entry Requirements	Successful completion of Sixth Form or equivalence (12 years of continuous progression). A pass in English or equivalent. Applicants may also be admitted to Certificate IV in Film & Television program who may not meet the 12 years of continuous progression requirement, but who are able to demonstrate their ability to succeed in programs at these levels on the basis of maturity, work experience, or prior learning.
