

Programme Name	Certificate III in Hairdressing
Programme Description	The Certificate III Hairdressing programme develops the knowledge and skills of students in basic hair cutting, managing a salon, understanding hair products, colour design, permanent waving and relaxing, hairdressing and most of all, to meet the needs of the customers. As per the demands of the industry, the programme also emphasizes quality control concepts both in theory and via practical methods. The programme will prepare students for employment in hair salons, hotels & resorts and also as an entrepreneur.
