Majors	Joinery and Cabinet Making
Minimum Requirements	Successful Completion of Year 11 (Form 5) or Certificate II from Technical College of Fiji or equivalent/ appropriate experience for mature applicants.
Duration	1.5 years
Programme Type	Certificate
College Name	College of Engineering, Science and Technology
Campus	Derrick
Credit Points	Total of 90

Programme Structure		
Course Code	Course Title	Credit Points
	Quarter 1 Stage 1	
OHS301	Occupational Health and Safety	5
BTC311	Joints Classification	5
BTC312	Properties of Timber	5
BTC313	Trade Calculation	5
BTC314	Construction Drawing	5
BTC320	Workshop and power tools safety	5
		30
	Quarter 2 Stage 2	
COM303	Introduction to Communication Literacy	5
JMC321	Wood Finishes	5
JCM322	Carcasses Construction	5
JCM322	Manufacture and fitting cabinet doors and drawer	5
JCM323	Manufacture timber flat bench and dresser tops with panels	5
JCM324	Basic Upholstery	5
		30

	Quarter 3 Stage 3	
ETH301	Ethics, Values and Governance	5
BTC331	Quality Control	5
BTC332	Customer in a work place	5
JCM331	Use manufactured boards in furniture making	5
JCM332	Manufacture and install timber and sheet panelling	5
JCM323	Maintain compressed air in a joinery factory	5
		30
	Total Credit Points	90

Course Prerequisite		
Course Code	Course Title	Prerequisite
OHS301	OHS	Year 11
BCT311	Joints Classification	Year 11
BTC312	Properties of Timber	Year 11
BTC313	Trade Calculation	Year 11
BTC314	Construction Drawing	Year 11
BTC315	Workshop and Power tools safety	Year 11
COM301	Technical Communication	Year 11
JCM321	Wood finishes	BTC314
JCM322	Carcasses construction	BTC312
JCM323	Manufacture and fitting cabinet doors and drawers	BTC311
JCM324	Manufacture timber flat bench and dresser tops with panels	BTC313
JCM325	Basic Upholstery	BTC315
ETH301	Ethics, Values and Governance	Year II
BTC331	Quality Control	CFC324
BTC332	Customer service in a workshop	CFC323
JCM331	Use manufacture boards in furniture making	JCM322
JCM332	Manufacture and install timber and sheet panelling	JCM323
JCM333	Manufacture compressed air system in a joinery factory	JCM324
