

Program Name	Higher Education Diploma in Accounting
Program Description	<p>Higher Education Diploma in Accounting especially designed for those who need to perform accounting duties such as developing and maintaining accounting systems, reporting on business performance, preparing financial statements, maintaining internal control systems, preparing management accounting reports as well as accounting and reporting on performance and accountability of public sector entities.</p> <p>The program aims to give the students' knowledge and skills required to work largely in accounting roles in real life business environments. In addition to theoretical knowledge it exposes students to practical training in the accounting discipline, leading to career positions such as accountants, senior financial officers and office managers. Students may choose the elective courses relevant to their planned career paths.</p>
